## PROGRESSION THROUGH THE YEARS

### FOREWORD

Progress is constantly being made, not only in the world as a whole, but also in our own lives. Every day we learn something new, see someone new, or do some new thing which helps us along our path of "progress through the years," and so it has been through our four years of high school.

We, the Seniors, are proud and honored to dedicate our 1963 HAWK to Mr. Dominick A. DeLuco. While he has been with us as O-E, Mr. DeLuco has served as friend and adviser to us and has often helped us "over the rough spots." We sincerely hope that Mr. "D" has enjoyed being with us as much as we have enjoyed having him here.

Best of everything to a wonderful person.

## Principal's Message

To the class of 1963 I extend the sincere congratulations of the Board of Education and myself upon your graduation. We hope that you have enjoyed your years at school and that you have an educational foundation upon which you can build your future lives.

You can be proud of your accomplishments and this pride is shared by your parents, teachers and friends.

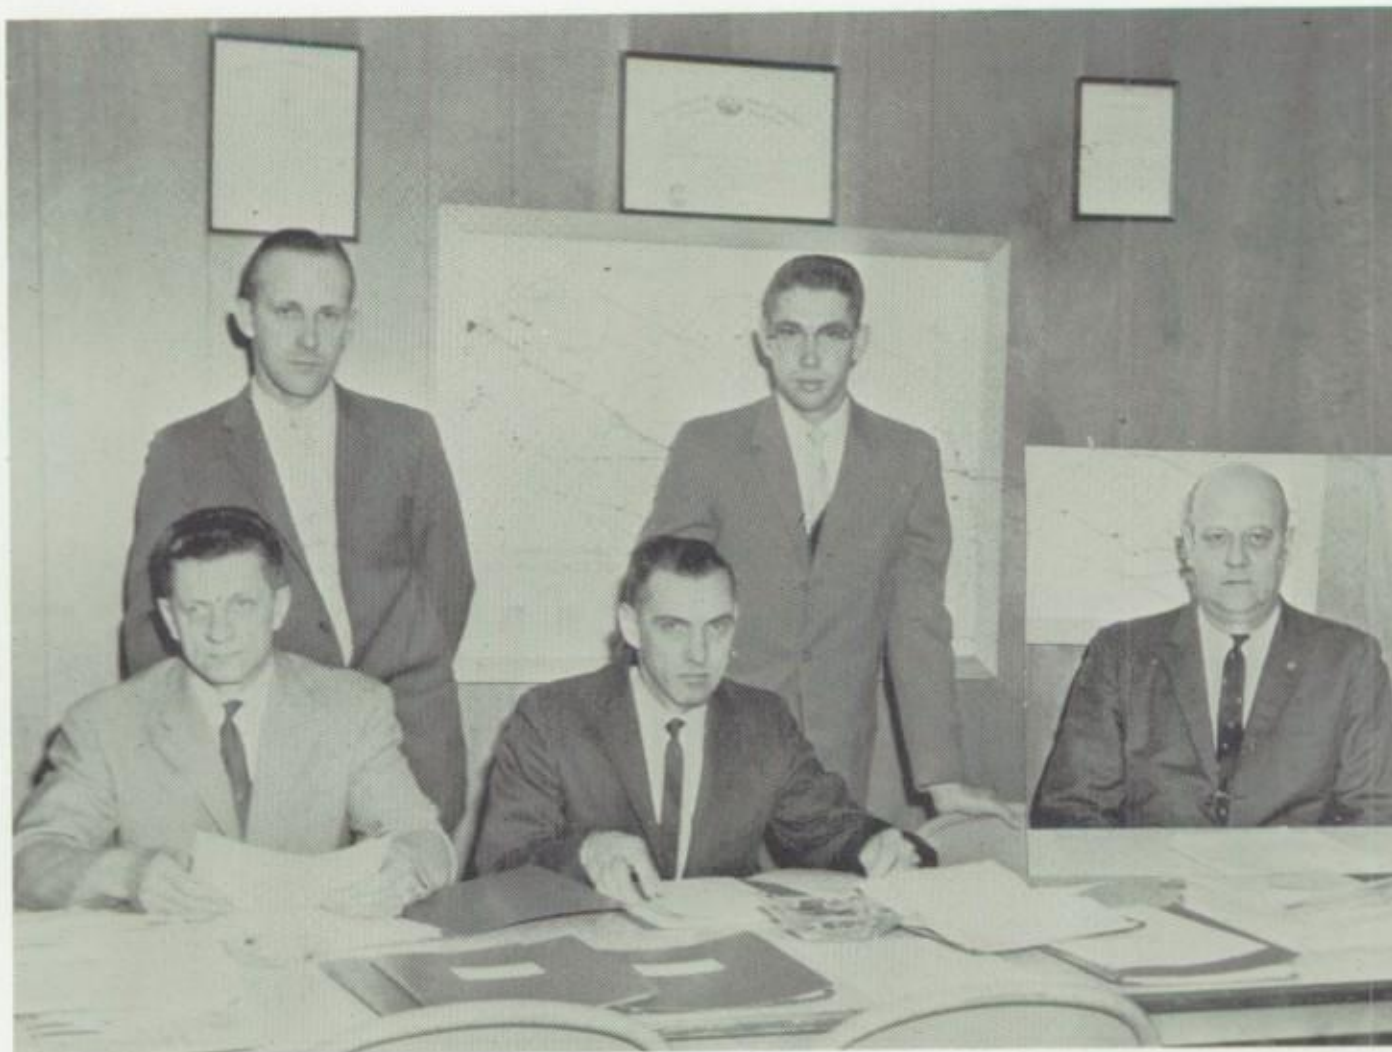

The challenges and obligations of adulthood will be many but should be faced with understanding, faith in the future and a desire to attain personal goals.

LEGAL

COMMERCIAL

We four, Margo Nichols, Treasurer, Natalie Korenini, Secretary, Arthur Kadaraitis, President, and Paul Coons, Vice President, on behalf of The Senior Class, wish to express our appreciation to all persons who have aided our class throughout high school and especially for their help with this yearbook.

Mrs. Jones. I wish you the best of  
everything in your future years. It  
has been a pleasure having you as  
an English Teacher and a friend.  
At many times we have had differences  
of opinions but that is what makes  
life interesting. You are a very  
understanding woman.

God Bless You Always  
Merald
